

Clam Round Lab Chair

**A robust and stable lab/industrial chair
with PC1 and PC2 compliancy.**

Capabilities

- Seat pan depth = 410mm
- Seat pan width = 455mm
- Seat height range = 420-500mm
- Backrest length = 310mm
- Backrest width = 410mm
- 120kg weight limit
- Minor assembly required

A stable chair with a smooth polyurethane seat and backrest surface for easy cleaning. The Clam is PC1 and PC2 compliant.

The Clam Round lab chair is seat height adjustable, as well as having a backrest tilting mechanism and a gas lift cover to minimise dust build-up under the seat.

Features

- Adjustable seat height and backrest tilt
- Black nylon star base
- Polyurethane material and PC1 and PC2 compliancy
- Hard castors for carpet floors
- Gas lift cover to minimise dust build-up

Options

- Seat pan and back rest: Blue or Black
- Soft castors for hard floors or glides for stability on level surfaces
- Extended warranty

Note: Available in a high gas lift drafting configuration with foot ring. Find it as a “Clam Round Drafting Chair”
